OFFER ANNOUNCEMENT

1. INTRODUCTION

RHT Capital Pte. Ltd. (“**RHTC**”) wishes to announce, for and on behalf of Volare Group AG (“**Offeror**”), that the Offeror will make a voluntary conditional cash partial offer for ten per-cent (10.0%) of the issued units (“**Units**”) in the Units of Sabana Industrial Real Estate Investment Trust (“**Sabana Industrial REIT**” or “**Offeree**”), other than those already owned, controlled or agreed to be acquired by the Offeror or any party acting in concert with it (“**Partial Offer**”).

2. THE PARTIAL OFFER TERMS

2.1 The Offeror will make the Partial Offer in accordance with Rule 16.2 of the Singapore Code on Take-overs and Mergers (“**Code**”), on the following basis:

- (a) **Offer Price.** The Partial Offer is made for **S\$0.465** in cash in respect of each Offer Unit (“**Offer Price**”).
- (b) **Relevant Unitholders.** The Partial Offer will be extended to all unitholders of the Offeree (other than the Offeror and parties acting in concert with it) (“**Relevant Unitholder**”) on the record date to be determined, which will fall on the 14th day before the First Closing Date (as defined below) of the Partial Offer (or if such day falls on a non-business day, on the immediately following business day) (“**Record Date**”).
- (c) **Offer Units.** The Offer Units comprise 109,612,132 Units (“**Offer Units**”), representing ten per-cent (10.0%) of the 1,096,121,325 Units in issue as at the date of this Announcement (“**Announcement Date**”).

Each Relevant Unitholder will be entitled to accept the Partial Offer in respect of ten per-cent (10.0%) of the Units (for example, 100 Units for every 1,000 Units) held by him as at the Record Date, fractional entitlements to be disregarded (“**Relevant Percentage Offer Units**”). A Relevant Unitholder may accept the Partial Offer in respect of all or any part of his Relevant Percentage Offer Units.

Each Relevant Unitholder may, in addition, tender Units that are in excess of the number of his Relevant Percentage Offer Units (“**Excess Units**”) for acceptance under the Partial Offer in the event that any one or more Relevant Unitholders do not accept their full entitlement of their respective Relevant Percentage Offer Units.

Under the terms of the Partial Offer, the Offeror is permitted to acquire only the Offer Units and is not permitted to acquire any additional Units which may be tendered for acceptance under the Partial Offer. Where the aggregate number of the Units accepted and the Excess Units tendered by the Relevant Unitholders exceed the number of the Offer Units, the Excess Units tendered will be accepted up to the number of Offer Units on a pro-rata basis (but in a manner which minimises the number of new odd-lot unitholdings as the Offeror may in its absolute discretion deem fit in the interest of the Offeror), provided that the Partial Offer becomes unconditional in all respects from such acceptance.

- (d) **First Closing Date.** The Partial Offer will remain open for acceptance by the Relevant Unitholders for a period of not less than twenty-eight (28) days from the date of despatch of the Offer Document (as defined below) (“**First Closing Date**”). Details of the First Closing Date will be announced in due course.

- (e) **Settlement.** Subject to the Partial Offer becoming unconditional in all respects, settlement of the consideration for the Offer Units acquired by the Offeror will be made within seven (7) business days of the closing date of the Partial Offer, being the First Closing Date or such other later date as may be announced from time to time by or on behalf of the Offeror.
- 2.2 As at the Announcement Date, based on the latest information available to the Offeror, there are no outstanding instruments convertible into, rights to subscribe for, and options in respect of, securities which carry voting rights, in the Offeree.
- 2.3 The Offer Units will be acquired fully-paid and free from all liens, equities, mortgages, charges, pledges, encumbrances, rights of pre-emption and other third party rights and interests of any nature whatsoever and together with all rights, benefits and entitlements attached thereto as at the Announcement Date and thereafter attaching thereto, including the right to receive and retain all dividends, rights and other distributions (if any) which may be announced, declared, made or paid thereon by the Offeree on or after the Announcement Date, together with all interest accrued thereon. Accordingly, in the event the Partial Offer turns unconditional and:
- (a) if the settlement date in respect of the Offer Units accepted pursuant to the Partial Offer falls on or before the books closure date for the determination of entitlement to any such dividend (“**Books Closure Date**”), the Offeror will pay the Relevant Unitholder the Partial Offer Price for each Offer Unit; and
- (b) if the settlement date in respect of the Offer Units accepted pursuant to the Partial Offer falls after the Books Closure Date, the Offeror will reduce the Offer Price by the amount of the dividend.
- 2.4 **Resultant Unitholding.** Assuming that the Partial Offer is successful, and no new Units are issued between the Announcement Date and the close of the Partial Offer, the acquisition of the Offer Units pursuant to the Partial Offer, when taken together with the Offeror’s Units, will result in the Offeror holding 169,105,358 Units representing approximately 15.4% of the total issued Units of the Offeree as at the Announcement Date.
- 2.5 **Securities Industries Council Approval.** On 12 December 2022, the Securities Industries Council (“**SIC**”) granted its consent to the making of the Partial Offer in accordance with Rule 16.1 and Rule 16.2 of the Code subject to the following conditions:
- (a) arrangements are made with Singapore Exchange Securities Trading Limited (“**SGX-ST**”) prior to the posting of the Offer Document to provide a temporary trading counter to trade odd-lots in the Units after the close of the Partial Offer. Such counter should be open for a reasonable period of time, which in any case should not be shorter than one (1) month;
- (b) the Partial Offer is made to all Relevant Unitholders of the class and arrangements are made for those Relevant Unitholders who wish to accept in full for the Relevant Percentage Offer Units of their holdings. Units tendered in excess of this percentage should be accepted by the Offeror from each Relevant Unitholder in the same proportion as the number tendered, to the extent necessary to enable the Offeror to obtain the total number of Offer Units for which the Offeror has offered. The Offeror should arrange its acceptance procedure to minimise the number of new odd-lot unitholdings;
- (c) an appropriate Partial Offer is made for outstanding instruments convertible into, rights to subscribe for, and options in respect of, securities which carry voting rights. In addition, the Partial Offer to Relevant Unitholders must be extended to holders of newly issued Units arising from the exercise of such instruments, subscription rights or options during the offer period;

- (d) when a Partial Offer is made for an entity with more than one class of Units, a comparable offer is made for each other class;
- (e) the precise number of Units, percentage or proportion offered is stated, and the Partial Offer may not be declared unconditional as to acceptances unless acceptances are received for not less than that number, percentage or proportion; and
- (f) the Offeror will promptly make enquiries of all other persons acting or presumed to be acting in concert with the Offeror on the disclosure of holdings and dealings required under Rule 3.5 of the Code (“**Relevant Disclosures**”). If the aggregate number of Units owned, controlled or agreed to be acquired by such other parties acting or presumed to be acting in concert with the Offeror represents 0.5% or more of the total number of issued units in the Offeree, the Offeror will promptly announce such holdings.

3. THE PARTIAL OFFER CONDITIONS

3.1 The Partial Offer will be conditional upon the following (“**Offer Conditions**”):

- (a) **Minimum Acceptance.** The Offeror having received, by the closing date of the Partial Offer, valid acceptances and/or tenders in respect of not less than 109,612,132 Units, representing ten per-cent (10.0%) of the Units in issue of the Offeree;
- (b) **No Material Transaction.** No announcement, agreement, arrangement, memorandum of understanding and/or statement of intention (whether or not legally binding) relating to any Material Transaction (as defined below) shall have been released, entered into and/or completed or consummated prior to the close of the Partial Offer.

For these purposes, a “**Material Transaction**” means a transaction or proposed transaction involving:

- (i) any member of the Offeree or any of its subsidiaries (collectively, “**Offeree Group**”) or any associated company of the Offeree (“**Offeree Affiliate**”), or to which any member of the Offeree Group or any Offeree Affiliate is a party which has a consideration or value (whether in cash or otherwise) equal to or greater than 20.0% of the unaudited net asset value of the Offeree Group as of 30 June 2022; or
- (ii) any issue of Units or securities which carry voting rights in the Offeree, or are convertible into Units or securities which carry voting rights in the Offeree, or rights to subscribe for or options in respect of such securities; or
- (iii) a recommendation, declaration or payment by any member of the Offeree Group or any Offeree Affiliate of dividends or other distributions (including, without limitation, interim dividends),

whether such transaction (i) involves an acquisition, disposal, takeover offer, scheme of arrangement or reconstruction, merger, consolidation or other combination, dual-listed companies structure, joint venture, strategic alliance or otherwise; or (ii) involves a single transaction or a number of related transactions and whether at one time or over a period of time;

- (c) **No Material Adverse Change.** Since 30 June 2022:
 - (i) there being no material adverse change in the assets, business, financial condition, profits, liabilities, prospects or results of operations of the Offeree Group taken as a whole; or

- (ii) there being no litigation, winding up (whether initiated by creditors or otherwise), arbitration, prosecution or other legal proceedings having been instituted, announced or threatened by or against or remaining outstanding against any member of the Offeree Group or any Offeree Affiliate which could have a material adverse effect on the Offeree Group taken as a whole;

in each case so as to cause or to be likely to cause either the net assets or the net profit after tax of the Offeree Group to be decreased by more than 5.0%;

- (d) **No Winding-Up.** The Offeree shall not have authorised, recommended, proposed or entered into an agreement, agreement in principle or arrangement or understanding with respect to any liquidation, winding up, dissolution, merger, consolidation, release or relinquishment of any material contractual right, any material change in the Offeree's Units, or other right of the Offeree or any event having an analogous effect and not in the ordinary course of business; and
- (e) **Continued Listing.** No suspension (other than a trading halt at the request of the Offeree) by the SGX-ST of trading of Units on the SGX-ST and no removal of the Offeree by the SGX-ST from its official list.

3.2 The Partial Offer will not become or be capable of being declared unconditional in all respects unless all the above Offer Conditions are satisfied or waived prior to the close of the Partial Offer, and except for Offer Condition 3.1(a) above, the Offeror will not invoke any condition that will cause the Partial Offer to lapse, unless (i) the circumstances which give rise to the right to invoke the condition are of material significance to the Offeror in the context of the Partial Offer, and (ii) prior consent is obtained from the SIC.

4. FINANCIAL EVALUATION OF THE PARTIAL OFFER

4.1 In arriving at the Offer Price, the Offeror took into account, *inter alia*, the premiums offered by the Offer Price over various prices at which the Units were trading on the SGX-ST during certain periods, as detailed below:

7. RATIONALE FOR THE PARTIAL OFFER

7.1 Investment in the Offeree.

The Partial Offer by the Offeror is for investment purpose as the Offeror wishes to diversify its business lines away from fossil fuels and increasingly build up its real estate portfolio. In this regard, the Partial Offer, if successful, would enable the Offeror to increase its direct holdings in the Offeree.

The Offeror believes that the Offeree faces a challenging interest rate environment with Real Estate Investment Trust generally having declining yields. However, the Partial Offer reflects the Offeror's view that while the current business and economic outlook present a number of challenges, there is inherent long-term value in the Offeree's Units.

7.2 Fluctuation in Prices of Units in the Offeree.

Based on the Offeror's knowledge and observation, the Offeree's Units are thinly traded. As such, by making the Partial Offer, it would be expedient for the Offeror to build up a meaningful stake of Offer Units in a single corporate action. In addition, due to the low liquidity in the public market, the Offeror is of the view that it would not be able to acquire such Units from the open market efficiently. Furthermore, as insufficient liquidity also prevents larger Relevant Unitholders from selling, the Partial Offer will provide attractive exit liquidity to the Relevant Unitholders. As such, the Partial Offer presents a good opportunity for the public Relevant Unitholders to monetise their holdings or part of their holdings if they so wish while continuing to participate in the future financial performance of the Units as it will remain publicly traded following the Partial Offer.

8. DISCLOSURE OF UNITHOLDINGS AND DEALINGS
